Covance Announces Pioneering Agreement with Leading Pharmaceutical Company for Worldwide Portfolio-Level Clinical Trial Monitoring

Xcellerate® Monitoring sets new standard for risk-based monitoring of clinical trials

Princeton, N.J. - August 24, 2015 - Laboratory Corporation of America® Holdings (LabCorp®) (NYSE: LH) today announced that Covance Drug Development (Covance) has received a multi-year award from a leading pharmaceutical company to use Covance's Xcellerate® platform as an exclusive central monitoring solution for their worldwide clinical trials portfolio. This landmark agreement with a top-tier pharmaceutical company for Covance's first-in-kind Software-as-a-Service (SaaS) offering reflects the company's unique technology capabilities, and reinforces its position as an industry innovator and leader in clinical informatics solutions.

Covance's Xcellerate Clinical Trial Optimization™ suite is a proprietary, technology-enabled solution set, designed and proven to help biopharmaceutical companies meaningfully reduce the cost, time, complexity and risk associated with clinical trials. As part of this platform, which also includes Xcellerate Forecasting & Site Selection, Xcellerate Trial Management and Xcellerate Insights, Xcellerate Monitoring helps clients proactively identify and mitigate clinical trial risks in near real time for a single study or across an entire portfolio of trials. By leveraging consistent processes and practices under a single, world-class technology platform, Xcellerate Monitoring centralizes and consolidates all clinical trial data, enhances patient safety, improves trial efficiency and proactively enables clients to identify and mitigate potential risks.

"This is an exciting opportunity, in collaboration with a long-standing client, to leverage the unique power of Xcellerate Monitoring to help our client make more informed decisions, lower risks and drive faster results across its global clinical trial portfolio," said Deborah Keller, CEO of Covance. "As an industry leader in creating technology-enabled solutions to accelerate drug development, Covance is committed to building scalable, replicable platforms such as Xcellerate to help biotechnology and pharmaceutical companies bring innovative new medicines to patients."

Covance is reshaping clinical trials to transform the industry and improve lives. For more information about Xcellerate Monitoring and the full Xcellerate technology platform, visit covance.com.
