

Cautionary Statement Regarding Forward-Looking Statements

This webcast contains forward-looking statements, including, but not limited to, statements with respect to (i) the estimated 2024 guidance and related assumptions, (ii) the recently completed spin-off of the company's Clinical Development and Commercialization Services business, now Fortrea Holdings Inc., (iii) the impact of various factors on operating and financial results, including the projected impact of the COVID-19 pandemic on the company's businesses, operating results, cash flows and/or financial condition, as well as global economic and market conditions, (iv) future business strategies, (v) expected savings, synergies and other benefits to the Company, customers or patients from acquisitions and other transactions and partnerships, and (vi) opportunities for future growth.

Each of the forward-looking statements is subject to change based on various important factors, many of which are beyond the company's control. These factors, in some cases, have affected and in the future (together with other factors) could affect the company's ability to implement the company's business strategy, and actual results could differ materially from those suggested by these forward-looking statements. As a result, listeners are cautioned not to place undue reliance on any of the forward-looking statements.

The company has no obligation to provide any updates to these forward-looking statements even if its expectations change. All forward-looking statements are expressly qualified in their entirety by this cautionary statement. Further information on potential factors, risks and uncertainties that could affect operating and financial results is included in the company's most recent Annual Report on Form 10-K and subsequent Forms 10-Q, including in each case under the heading RISK FACTORS, and in the company's other filings with the SEC. The information in this webcast should be listened to in conjunction with a review of the company's filings with the SEC including the information in the company's most recent Annual Report on Form 10-K, and subsequent Forms 10-Q, under the heading "MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS".
